

## STUDENT COUNCIL NEWS

As part of the school annual Make a Difference Day project, we will be collecting individually wrapped toothbrushes to donate to Holiday Express, a nonprofit organization that delivers food, gifts, financial support and friendship to those less fortunate during the holiday season. Collection boxes will be placed in each homeroom. Collections will begin next week. PLEASE BRING IN A TOOTHBRUSH!

Bayshore gym bags are available in the Shore Store for \$5.00. Money collected from the sales of these bags is used to support our adopted child, Michael W., who lives in Richmond, Virginia. Money sent to Children, Incorporated is used to buy clothing and essentials for him. In addition, we try to send Michael a few special treats throughout the year from the Bayshore Student Council. Help us bring a smile to Michael!

Throughout the year we will collect pop-tops which are donated to the Ronald McDonald House, a place near the hospital where families of children being treated for cancer are able to stay. We have a collection jar in the cafeteria, but students may also bring in contributions from home. Last year we collected more than 160 pounds, and we hope to surpass that number this year.
