Karen L. Bilbao
Superintendent of Schools

William J. Doering
School Business Administrator/Board Secretary

March 9, 2009

Dear Middletown Families,

I am very pleased to inform you that there will be a new and exciting provision of before and aftercare services for Middletown students in the 2010-2011 School Year. Though relatively new to Middletown, the Community YMCA is an old friend in the area and has been providing a vast array of services for more than 100 years. The reason for the change in services is due to the growing collaboration between the Middletown School District and the Community YMCA. For the last several years, our schools have been hosting popular clubs provided by the Community YMCA, and in the coming school year, students who attend the aftercare service will receive credit toward their registration in those clubs.

The Community YMCA will meet all the needs that were provided for our students through our previous service, and much more! They offer an enriching curriculum that does far more than help with homework. Their focus on: health and wellness, literacy, enhancing the arts and sciences, socialization, and recreation will give your children another reason to look forward to coming to school every day.

Please see the attached letter from the Community YMCA that describes their services in detail. Our district looks forward to increasing its partnership with the Community YMCA, and we are confident you will not be disappointed in their high quality, low-cost services.

Sincerely,

Karen L. Bilbao
Superintendent of Schools
