Ms. Karen Bilbao
Interim Superintendent
Middletown Township
59 Tindall Road
Middletown, NJ 07748

Dear Ms. Bilbao:

May this letter serve as notice that the Monmouth-Ocean Educational Services Commission's Board of Directors have reduced the MAECOM Adult High School tuition from \$2600 per student to \$1725 per student for the 2007-2008 school year.

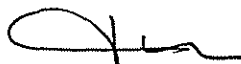

In addition, at its August 8, 2007 meeting, the Board approved the addition of offering the MAECOM Adult High School program as an online program at the same tuition rate of \$1725. We hope that this tuition decrease and the offering of an online option will be of benefit to you and your community members.

In addition to a new Saturday session at Tinton Falls, we are opening a Saturday session at our Lakewood building in the computer lab. We are also currently in the process of establishing an adult high school computer lab at the Tinton Falls building.

You are of course among the first of the five school districts to be members of the MAECOM Adult School. Since 1979 MOESC has provided this important program to students from your community. We hope that as we expand our Adult High School program to other school districts in Monmouth and Ocean counties, you will continue to support this vital program.

Thank you for your many years of partnership with MAECOM and MOESC. We look forward to continuing to serve you and your community members for the new school year.

Sincerely,

Timothy P. Nogueira
Superintendent
