

**H1N1 Influenza Clinic**  
**For Monmouth County Residents**

The Middletown Township Health Department will be holding an H1N1 Influenza Clinic.

Where: Middletown High School South  
900 Nut Swamp Rd.  
Middletown, NJ

When: Thursday, November 12, 2009  
5-8 PM

Flu Mist only will be offered to persons ages 2 years through 49 years of age with no chronic or acute illness, no exceptions.

Injectable vaccine will only be available for pregnant women and those that have medical conditions, illness or weakened immune systems.

**THE FOLLOWING GROUPS ARE INVITED:**

- Pregnant women
- Primary caregivers of children under 6 months of age
- EMS/Health Care Workers with direct patient care
- Children/young adults ages 6 months through 24 years old
- Adults with chronic illness or weakened immune systems ages 25-64 years of age

Please go to [www.middletownnj.org](http://www.middletownnj.org) and look for the H1N1 link in the middle of the page in green.

**Note:** For those parents who have already completed a consent form for their child /children, there will be a separate registration table staffed by our Middletown School nurses with district wide completed form(s), which should make for an expedited process.

**There are no seasonal influenza clinics scheduled at this time.**
