FUTURE KINDERGARTENERS ORIENTATION

All children entering Lincroft School for Kindergarten in September 2010 are invited to register for the *Pre-Kindergarten Orientation Program*. Children must turn five years old by October 1, 2010.

The aim of the program is to foster a positive attitude towards school for the child. This is accomplished through interaction with staff members and an introduction to the school community. Accompanied by an adult, children meet separately after the beginning of sessions one and two. During this time, students partake in an educational activity while parents participate in a session covering various topics. In the third session, students have the chance to take a brief bus ride around the area.

The 2010 dates are February 18th and April 27th. We are offering sessions at 9:30-10:00 **or** 1:30-2:00. The last session on May 21st will be 9:30-10:00 or 10:30-11:00. Kindergarten is a full day program. Prior to attending the program, all parents must visit www.middlestownk12.org/lincroft/registration.htm. There you will find answers to many frequently asked questions along with registration requirements.

For insurance and safety reasons, younger siblings cannot attend the program. We suggest you make reciprocal baby-sitting arrangements with other parents whose children will be attending the program. Please fill out the registration form below and return it to the Main Office by Friday, January 15, 2010. Although every effort will be made, we cannot guarantee your first choice. **If you do not have a child in this age group but know of someone who does, please share this notice.** Copies are available on the school website.

If you have questions, please contact the Main Office at the number above.
