Dear Lincroft School Families,

Welcome to the 2009-2010 school year at Lincroft Elementary School. I am looking forward to serving as PTA President again this year but I am sad to say that this will be my final year at Lincroft School. Working with the Executive Board, Mr. Laugelli, the staff and of course, the parents, has been such a great experience and I am so glad to have had the opportunity. I look forward to meeting all our new parents and to continue the wonderful traditions, both old and new, the PTA has established.

Our PTA packet is considerably smaller this year due to the fact that we are continuing our efforts to "go green" and conserve paper. Included is information regarding membership, the school directory and class representatives. Information about our many committees, including fundraising, and volunteer opportunities are listed on our website. Our school's website is an important tool for finding out what is happening. Please review the information and return the forms in the attached envelope.

Parents are a child's first and most important teacher. Parental involvement is closely linked to academic achievement and self-confidence. I encourage everyone to join the PTA and get involved. It is such a rewarding experience and you can make a difference! Say YES the next time parent involvement is requested, or better yet, volunteer your time TODAY. In order to conserve time and paper, email your name, child's name and teacher to the chairperson for the committees you would like to volunteer for. Just click on the chairperson's name at [www.middlestownk12.org/lincroft/pta.htm](http://www.middlestownk12.org/lincroft/pta.htm).

Our first PTA meeting will be on Thursday, September 10, 2009 at 7:30 PM in the All Purpose Room. At 7:00 PM we will have a New Parent Coffee. Please join us and find out about all of the wonderful programs and events we are planning. The PTA has accomplished some wonderful things for our children and their school. Let's continue to make it the best ever! We welcome all volunteers and new ideas - just stop by a meeting and find out!

I am looking forward to a great year at Lincroft School!

Sincerely,

*Kim Allen*

## Class Representatives 2009-2010

Class Representatives are the liaison between the teacher and the class parents. Class Representatives **MUST** be accessible to receive the notification regarding emergency early dismissal. Calls **MUST** be made as soon as you are notified. If you have other commitments preventing you from making these calls, often at a moment's notice, consider volunteering for a different committee.

The Class Representatives also arrange for volunteers within the class for such functions as holiday parties, trips or other needs the teacher may have. Direct communication with the teacher is necessary in order to guarantee all school and district policies are being followed. Class Representatives are not the sole volunteers in the classroom.

If you were a class representative last year, you will not be selected for the same child this year unless there are no other volunteers from the class. Please only enter the children you would want to be Class Representative for, as you will only be selected for one child.

Return the bottom portion of this form by Wednesday, September 9, 2009. You will be advised if selected by Friday, September 11, 2009. You will then be notified as to when Class Representative Orientation will be held.

If you have questions, call Kathy Noah (732-936-9445) or Aimee Russo (732-842-4097).

Thank you in advance for your cooperation.
