

## RIF (Reading Is Fun)

### Go BANANAS For Reading

RIF is designed to encourage children to read more and to find reading to be a rewarding and enjoyable experience. Our program runs throughout the school year. Check the school calendar for RIF dates. All children who participate will receive a certificate for their achievement.

\* K-2 Goal: 50 **books** read by student or parent will receive a school store voucher.

\* 3-5 Goal: 50 **chapters** read by student will receive a school store voucher.

When your child has reached their individual goal, she/he should bring the completed RIF Form to school and wait for our monthly RIF Day. Pictures of our proud readers will be displayed on the RIF board outside the All Purpose Room.

Our goal this year, with all of the children working together, is to read as many books as possible!

Now, lets all go BANANAS for reading!
