

“I NEED LUNCH MONEY!” MIDDLE AND HIGH SCHOOLS

Sound Familiar? The message rings loud and clear on school mornings in homes across town as parents scramble to find cash for their child’s lunch.

Make your mornings simpler and help your child get their lunch faster by **pre-paying** your child’s meals!

How? Just **write out a check** in any amount (suggested minimum \$25) to : “MTBOE Cafeteria Account” and send to the cafeteria with your child.

OR

If you pay your bills Online with your bank: set up the “MTBOE Cafeteria Account” as a *Payee* (Address: 59 Tindall Road, Middletown NJ 07748) and indicate your child’s **Student ID number** (located on report cards and class schedules) as the “Account Number”. You can then schedule periodic payments (suggested minimum \$25) to your child’s account at the press of a button!

Funds received will be placed ‘on account’ for your child to purchase meals without having to bring cash. **Your bank will mail a paper check, so allow ample processing time for the payments (3-5 days).**

Won’t it be nice not to hear “I NEED LUNCH MONEY!” anymore?
