NAVESINK PTA

Save Time, Save Money!

Order your school supplies NOW for next year and know your child will have everything he/she needs waiting for them in their classroom the first day of class!

Navesink PTA has put together custom Back-To-School Kits for the 2010-2011 school year, supplied by Max L. Cowen's Student Stores. Save the time, trouble and expense of shopping at multiple stores for all the necessary school supplies and teachers will know that their students will have exactly what they need.

Each kit is packed in a plastic bag within a suitcase style box and will be waiting in the classroom on the first day of class. All supplies that are meant for the classroom will be removed and left in the classroom, while take home supplies can be easily transported home in the suitcase style box. Those items that need to be marked/labeled with your child's name will be done so at that time.

Below you will find the supplies included in the appropriate kit, along with the purchase price. Completed orders (order form **PLUS PAYMENT**) submitted to the school office by July 1st are eligible for the "Reduced Price," orders submitted after July 1st will require payment of the "Regular Price".
