

NEW MONMOUTH PTA

I would like to thank everyone who helped make the 2008-2009 school year a success with fundraising. I would like to start asking people during the summer months to save items for two fundraisers that the school will run next year.

Many people will find during the summer months their children have gone through a growth spurt. As you go through their clothes, please set aside any that are no longer being worn. Additionally, shoes and toys can also be saved. In September we will have a collection day for ALL these donations. A&E Clothing Corp. is an organization that will send these donations to locations across the nation and overseas where there is a need for recycled clothes. These donations are weighed and our school will receive 13 cents per pound!!

Another organization, PaceButler Corp. does a similar drive. They collect old cell phones and utilize them for 911 purposes in the US and in developing countries to improve quality of life through better communication. Again, during the SUMMER months go through your closets and any old cell phones that you may have save to be donated at the beginning of the school year. The newer the phone the more money we will receive. Keep in mind if you are upgrading or if your phone contract is up and you are purchasing a new phone SAVE the old one to donate.

Finally, the Monmouth Mall School Sense program has been extended to December 10, 2009. So keep bringing ALL your receipts to the Customer Service Center and give our schools name. Keep in mind that food court receipts are valid and also the movie theater and other business on the mall premises (Bobby's Burger Place, TGI Fridays, a new Mexican restaurant—Chipolte Grill, Chilli's, Luk Oil, the new Barnes and Noble scheduled to open in July and Jared Jewelry) HERE'S A DOUBLE BONUS: Why not go to the mall and shop at the AT&T, Verizon or T-Mobile stores for your phone purchases. We will earn points (lots - since phones are pretty expensive) and then save your old phone for the used cell phone collection.

Again, thank you for your participation with fundraising. If you should have any questions or suggestions, please contact me at percyrob@verizon.net or phone (732) 706-0852. Please post this flyer to your refrigerator as a reminder. Have a terrific summer!!
