

## New Monmouth

### PTA

Phone Fun

Pace Butler Corporation collects used cell phones. The phones collected will be utilized for 911 purposes in the US, redeployed nationwide, and used in developing countries to improve the quality of life through better communication. More information on the company can be found on their website [pacebutler.com](http://pacebutler.com).

We have placed collection boxes outside the main office. Please send in all your old cell phones. Please remember for security purposes to delete any personal information. This is an easy way to recycle and earn money for our PTA.

Depending on the type/model of the phone that determines how much New Monmouth School will receive.

Thank you for your support.
