SCHOOL SENSE

**MONMOUTH MALL**

Monmouth Mall is proud to announce their School Sense Program. This program is a continuation from last year. It's simple, when you shop at Monmouth Mall (including AMC Theatre, Chili's, TGI Friday's, LukOil, Bobby's Burger Palace and Jared Jewelers) bring your receipts to the Customer Service Center for validation. Give the representative our name: New Monmouth Elementary School and the points will be recorded. These points will then be traded in for items of our choice from their on-line catalog.

This program ends on December 10<sup>th</sup>. Please remember your back-to-school shopping and your EARLY holiday shopping will directly benefit our school.

Thank you for your participation.
