

New Monmouth PTA

Discover a new way

YOU can help us  
Earn Cash for our School

This new fundraiser allows you and your friends and family to shop from over 1,000 stores from our website and earn **CASH BACK for our school**. We also feature over 10,000 GREEN products on Shop to Earth. We will earn between 1-30% on **EVERY** purchase.

[www.shoptoearn.net/newmonmouthpta](http://www.shoptoearn.net/newmonmouthpta)

our school website: [www.middlestownk12.org/newmonmouth](http://www.middlestownk12.org/newmonmouth) will also have a direct link to the shoptoearn site.

The best part is the site will help you **SAVE MONEY**. Use the coupon codes listed on the site and save money on your purchases. If you are saving money you will want to share it with friends and family right? When you share this shopping strategy with friends and family, our school will earn money on their shopping as well as your own!

Shopping, saving money and earning money sounds awesome doesn't it? It makes perfect sense!

You are not spending additional money, it is the same money you would normally spend, at the same stores you normally shop at, **EXCEPT** New Monmouth Elementary School is earning **CASH BACK** to support our PTA activities.

**The More You Shop, the More You Share This With Others, The More WE EARN!**
