

Grocery Shopping Gift Card Order Form

Purchase gift cards for the below grocery stores and Nut Swamp will earn up to 5%. For example, if you purchase a \$100 gift card to Shoprite, Nut Swamp will earn \$5. It's that easy and it costs you nothing extra. If interested in placing an order, complete the form below and send it in to school by the last Friday of the month (see posted dates for exceptions).

You have two options for delivery of the cards:

1. Pick up the cards in the front lobby of the school from 2:45 to 3:15 on the first Friday of the month (see posted dates for exceptions). You will be asked to sign for any cards you pick up.
2. Have the cards sent home in the backpack of your designated child on the first Friday (see posted dates for exceptions). Each child will be asked to sign for the cards upon receipt. **Please note we are not responsible for lost cards. If lost or misplaced, they will not be replaced by the PTA.** If you are uncomfortable with your child handling large dollar transactions, we would recommend the first option.

If neither option works for some reason, contact a program coordinator to arrange for an alternate pick-up.
