

River Plaza School - Suggested Supplies for 2009-2010

The grade level supply lists are suggested for your convenience in determining the type of supplies that are most commonly used in our elementary grades. You will be notified of the teacher assigned to your child.

Kindergarten Supply List

General Classroom Needs

If you are able to help us with these things, we would be very appreciative. Since storage is an issue for us, we ask that you use the following list as a guide. We will be asking for additional classroom supplies on a monthly basis via our Class News. We thank you in advance for your help.
