League of Denial: the NFL, Concussions, and the Battle for the Truth by Mark Fainaru-Wada and Steve Fainaru

Genre: Nonfiction, Sports

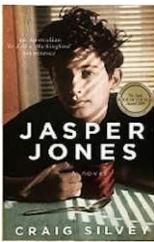

So concluded the National Football League in a December 2005 scientific paper on concussions in America's most popular sport. That judgment, implausible even to a casual fan, also contradicted the opinion of a growing cadre of neuroscientists who worked in vain to convince the NFL that it was facing a deadly new scourge: A chronic brain disease that was driving an alarming number of players -- including some of the all-time greats -- to madness.

League of Denial reveals how the NFL, over a period of nearly two decades, sought to cover up and deny mounting evidence of the connection between football and brain damage. - Goodreads

Jasper Jones by Craig Silvey

Genre: Realistic Fiction, Mystery/Thriller

Charlie Bucktin, a bookish thirteen year old, is startled one summer night by an urgent knock on his bedroom window. His visitor is Jasper Jones, an outcast in their small mining town, and he has come to ask for Charlie's help. Terribly afraid but desperate to impress, Charlie follows him into the night. Jasper takes him to his secret glade, where Charlie witnesses Jasper's horrible discovery. With his secret like a brick in his belly, Charlie is pushed and pulled by a town closing in on itself in fear and suspicion. He locks horns with his tempestuous mother, falls nervously in love, and battles to keep a lid on his zealous best friend. In the simmering summer where everything changes, Charlie learns why the truth of things is so hard to know, and even harder to hold in his heart.

Columbine by Dave Cullen

Genre: Nonfiction

On April 20, 1999, two boys left an indelible stamp on the American psyche. Their goal was simple: to blow up their school, Oklahoma-City style, and to leave "a lasting impression on the world." Their bombs failed, but the ensuing shooting defined a new era of school violence-irrevocably branding every subsequent shooting "another Columbine. "When we think of Columbine, we think of the Trench Coat Mafia; we think of Cassie Bernall, the girl we thought professed her faith before she was shot; and we think of the boy pulling himself out of a school window -- the whole world was watching him. Now, in a riveting piece of journalism nearly ten years in the making, comes the story none of us knew. In this revelatory book, Dave Cullen has delivered a profile of teenage killers that goes to the heart of psychopathology. He lays bare the callous brutality of mastermind Eric Harris, and the quavering, suicidal Dylan Klebold, who went to prom three days earlier and obsessed about love in his journal.

***Symphony for the City of the Dead* by M.T. Anderson**

Genre: Nonfiction

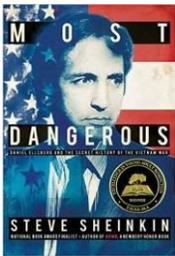

“National Book Award winner M. T. Anderson delivers a brilliant and riveting account of the Siege of Leningrad and the role played by Russian composer Shostakovich and his Leningrad Symphony. In September 1941, Adolf Hitler’s Wehrmacht surrounded Leningrad in what was to become one of the longest and most destructive sieges in Western history—almost three years of bombardment and starvation that culminated in the harsh winter of 1943–1944. More than a million citizens perished. Survivors recall corpses littering the frozen streets, their relatives having neither the means nor the strength to bury them. Residents burned books, furniture, and floorboards to keep warm; they ate family pets and—eventually—one another to stay alive. Trapped between the Nazi invading force and the Soviet government itself was composer Dmitri Shostakovich, who would write a symphony that roused, rallied, eulogized, and commemorated his fellow citizens—the *Leningrad* Symphony, which came to occupy a surprising place of prominence in the eventual Allied victory. This is the true story of a city under siege: the triumph of bravery and defiance in the face of terrifying odds. It is also a look at the power—and layered meaning—of music in beleaguered lives. *Symphony for the City of the Dead* is a masterwork thrillingly told and impeccably researched by National Book Award–winning author M. T. Anderson.” -Amazon

***Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War* by Steve Sheinkin**

Genre: Nonfiction

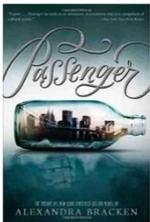

“This captivating nonfiction investigation of the Pentagon Papers has captured widespread critical acclaim, including features in The Washington Post and on NPR, selection as a 2015 National Book Award finalist, and selection as a finalist for the 2016 YALSA Excellence in Nonfiction Award. From Steve Sheinkin, the award-winning author of *The Port Chicago 50* and *Newbery Honor Book Bomb* comes a tense, narrative nonfiction account of what the Times deemed “the greatest story of the century”: how whistleblower Daniel Ellsberg transformed from obscure government analyst into “the most dangerous man in America,” and risked everything to expose years of government lies during the Nixon / Cold War era. On June 13, 1971, the front page of the New York Times announced the existence of a 7,000-page collection of documents containing a secret history of the Vietnam War. Known as The Pentagon Papers, these files had been commissioned by Secretary of Defense Robert McNamara. Chronicling every action the government had taken in the Vietnam War, they revealed a pattern of deception spanning over twenty years and four presidencies, and forever changed the relationship between American citizens and the politicians claiming to represent their interests. The investigation that resulted—as well as the attempted government coverups and vilification of the whistleblower—has timely relevance to Edward Snowden’s more recent conspiracy leaks. A provocative and political book that interrogates the meanings of patriotism, freedom, and integrity, *Most Dangerous* further establishes Steve Sheinkin as a leader in children’s nonfiction.” -Amazon

Thrust into an unfamiliar world by a stranger with a dangerous agenda, Etta is certain of only one thing: she has traveled not just miles, but years from home. And she’s inherited a legacy she knows nothing about from a family whose existence she’s never heard of. Until now. Nicholas Carter is content with his life at sea, free from the Ironwoods—a powerful family in the Colonies—and the servitude he’s known at their hands. But with the arrival of an unusual passenger on his ship comes the insistent pull of the past that he can’t escape and the family that won’t let him go so easily. Now the Ironwoods are searching for a stolen object of untold value, one they believe only Etta, his passenger, can find. In order to protect her, Nick must ensure she brings it back to them—whether she wants to or not. Together, Etta and Nicholas embark on a perilous journey across centuries and continents, piecing together clues left behind by the traveler who will do anything to keep the object out of the Ironwoods’ grasp. But as they get closer to the truth of their search, and the deadly game the Ironwoods are playing, treacherous forces threaten to separate Etta not only from Nicholas but from her path home forever.” -Amazon

***It Can’t Happen Here* by Sinclair Lewis**

Genre: Dystopian, Classic

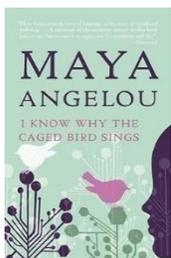

“A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the *Springfield Republican* when it was published in 1935, *It Can’t Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today’s news. “-Publisher

SUMMER SUMMER SUMMER

Summer Reading Assignment for Students Entering Grades 9-12

- Students will be required to read a minimum of 2 books from the above list, however, more are encouraged.
- Students will complete a digital book talk on one of the books they have read when they return to school in September.
- **Students are required to provide a written list of the books they read including the name of each author.**
- When they return to school in September the student and teacher will collaborate to decide which book they will use for their digital book talk.
- Students will be required to complete an in-class timed writing on the book they did not select for their digital book talk.

Students should follow the guidelines listed below as they prepare for their digital book talks.

Components of a Digital Book Talk:

- The digital book talk involves various options of technology based programs for students to select from. Options will be presented upon return to school. To prepare for the book talk, students may take notes on the following suggested components.
 - Briefly summarize the plot of the book and identify the genre, but **do not** give away the ending. Think about what you would and would not have wanted to know before reading.
 - Prepare what you are going to say about the book. You don't need to memorize, but you need to know the points you are going to make. Practice until you are comfortable with your material.
 - Optional topics to focus on:
 - The theme of the book
 - The major conflict
 - A brief description of the main characters and their relationships
 - Setting and how it relates to the plot and characters
 - Mention if the book reminds you of another book you have read or a movie you have seen
 - Identify what you think the author would have wanted readers to take from the experience of reading the book
 - Tell the audience if you recommend the book and why or why not. Remember, even if the book was not one of your favorites, does not mean that someone else may not enjoy reading the book.
 - Point out a significant or powerful passage from your book. This should be short and leave the listener wanting more.
