

5th into 6th Grade Summer Reading Suggestions 2020

We encourage parents and guardians of students entering 6th- 8th grade to be actively involved in the book selection process. The [Middletown Township Public Library](#) offers digital library cards for all students. Parents and students may also want to consider trading, swapping, or borrowing books from friends or relatives. Students are required to read at least two books during the summer months.

Furthermore, when selecting a book, the list below is suggested. With parental guidance, students may choose an alternate title (or titles). In the parent letter, there is a permission slip that must be filled out for any book that is not a suggested title. This permission slip must be handed to the student's teacher on the first day of school.

To gain a better understanding of the titles below we have provided the following links to guide you with brief book descriptions.
