

NAVESINK ELEMENTARY SCHOOL

2019 - 2020

Reaching Out Program

September 13, 2019

Fifth Grade Families,

The district has organized an opportunity for all fifth grade students to participate in the Municipal Alliance Reaching Out Program. This experience features presentations, as well as interactive exercises designed to emphasize the importance of positive decisions. Topics will include substance abuse prevention and proactive strategies to disallow bullying.

High School South will be hosting this event on Friday, September 20th. Its agenda begins at 9:45 AM, and concludes at 1:00 PM. Time is allocated for lunch within the schedule, and students will be served pizza.

Fifth grade classes, along with teachers, will board buses on our campus, and travel to High School South at 9:15 AM. They will return to Navesink at approximately 1:30 PM, which will not disrupt normal dismissal procedures.

We are excited for what should prove to be an informative and positive day.

Sincerely,
Kevin G. Cullen
Principal
