

Room Parents 2015-16

Are you interested in serving as a Room Parent this year? It is a great way to be involved at school and get to know other parents and students from your child's class.

How are room parents chosen:

- Parents that have never been a room parent are given priority.
- We take into consideration if the parent has been a room parent before and for which child (if you have more than one in the school).
- If there are more than two parents in a class that wish to be a room parent, the class parent will be chosen by a random draw after volunteers are prioritized based on above criteria.

Responsibilities of a room parent:

- Attend the mandatory Room Parent meeting on October 2 at 9:15 in the APR.**
- Meet with their teacher in the beginning of the year to discuss responsibilities.
- Send out emails regarding class parties, trips, and other school related functions.
- Collect money for the class to be used for parties and teachers' gifts.

Please note:

- If there is a student with a food allergy, those parents must be notified and approve of all food served at class parties.
- Volunteering as a class parent does not automatically allow you to attend every party and/or class trip. Your teacher will determine if she needs a class parent at the parties and other functions.

To volunteer, please complete the online form by **September 18**. Those who are selected will be notified by **September 24**.
