

Wall Township Community Prevention Education Forum on Marijuana and Vaping

On **Monday, January 14, 2019**, Wall Township High School will hold a community-wide drug prevention forum, "**Impact of Marijuana Use on Youth and Communities**" presented by a nationally known speaker, **Kevin A. Sabet, Ph.D.** in the Eva Applegate Theatre from 7pm-9pm.

Mr. Sabet will cover the overall consequences of marijuana use, which is an addictive, psychoactive mind-altering substance; and, how it impacts individuals and communities. Some of the focus will address marijuana's effects on our physical and mental health, various derivatives of the marijuana plant and ways in which teens are using marijuana, i.e., vape devices.

Kevin A. Sabet, Ph.D. is an author, consultant, former advisor to three U.S. Presidential administrations, assistant professor, and serves as the President and CEO of SAM (Smart Approaches to marijuana), which he founded with former Congressman Patrick J. Kennedy in 2013.

There will be a health fair one hour prior to our guest speaker from 6pm-7pm. Please come early to speak with local resources, the Wall Township Police Department will be doing the Fatal Vision Goggles demonstration in the A-Hallway as well. There will be giveaways and the DELTA Club is having a Bake Sale.
