August 2017

Dear Parents/Guardians of Thompson Middle School,

The District currently uses a phone based communication system to send alerts and emergency messages to parents and staff. We have established a method of sending group text messages using the mobile app, Remind. The ability to send text alerts enhances our communication capacity. Below are instructions for signing up for text messages from Remind. We recommend that you sign up for the Remind Text messaging system.

Remind Text Messaging – Each school in the District has a separate account with a distinct Class Code assigned to their Remind text messaging system. Therefore, each parent/guardian must sign up to Remind separately for each school your children attend. If you have children in more than one school, you will have to repeat the directions below, texting the Class Code provided by each of your children’s building principals.

1. Text the class code below to 81010.
2. Class Code for Thompson Middle School: @37gdeh
3. Within a few minutes you will receive a confirmation text.
4. Reply to the message from The Remind team with your first and last name.
5. The school will send a test text to you on October 3, 2017 at 9:00 a.m. The message will read, “Test text via REMIND system.” If you do not receive this test text, contact the Main Office for assistance.

Please sign up for REMIND text by September 29, 2017 to be included in the test texts. If you experience any difficulties with this process, please contact the Main office at 732-671-2212.

Sincerely,

Brian Currie  
Principal
