

Join the Navesink PTA Today!

What does joining the PTA mean? That is entirely up to you! It can simply mean you are making a \$20 donation to help get our fundraising efforts off the ground. If you want to volunteer, there are so many ways to get involved. Any amount of time you give will make a difference.

PTA members can... vote at meetings where voting is necessary, have access to our class directory (think play dates, and birthday party invites) and our email list for information and updates on what is happening, have the ability to chair an event or serve on a committee to help out with an event, or run for office on our board.

No matter how big or how small your involvement - you will make a HUGE difference!

Where does my \$20 go? A small portion of the membership fee goes to NJ PTA, the remainder goes directly to programs, events, and many Navesink needs (now you see why we are encouraging all parents to join!)
