

Middletown Township Public School District presents our 2nd Annual

discover the wonders of engineering . . . together

for 8th Grade Middletown Resident Students & their Parent/Adult Family Member

WHAT IS FAMILY ENGINEERING?

Modeled after Family Math and Family Science, Family Engineering is an informal engineering program that actively engages students and their families in fun, hands-on, engineering activities and events. Facilitated by our district's Middle School STEM Specialists, *teams of students compete against teams of parents* as they problem solve, experiment, and discover. It is active, fun, challenging, and exciting! *As an added bonus, High School Administrators and Teachers will be present to introduce the High School STEM Pathway as well!*

WHO SHOULD COME TO FAMILY ENGINEERING?

For convenience, two Family Engineering sessions are being offered to eighth grade students and their adult family members so that families can choose which night works best for them. Each student must attend with a parent/guardian or other adult family member and each parent or guardian must attend with their student! *However, due to the eighth graders involved, we ask that you not bring any other siblings.*

WHERE AND WHEN?

The events will be held in the All-Purpose Room of Bayshore Middle School from 6:30-8:30 pm on:
October 28, 2015, Wednesday OR October 29, 2015, Thursday
*Pre-registration is required. ***Due to class size, please register as soon as possible.****

HOW DO YOU REGISTER?

If you are interested in being part of our Family Engineering Night, please complete the form below and return it to your school by Wednesday, October 14, 2015.* *Keep in mind that enrollment may need to be limited so please only register if you are committed to attending. You will receive a response to your registration only if we cannot accommodate all interested families. We are "Gear-ing up" for a fantastic evening!*

----- Please tear off form below and return. -----
Please return this form by October 14, 2015, Wednesday to:

*Ms. JoAnn Layton, c/o Bayshore Middle School
834 Leonardville Road, Leonardo, NJ 07737*

Yes, we want to participate in Family Engineering at Bayshore Middle School (Please check one.)
from 6:30 pm - 8:30 pm on: October 28, 2015, Wednesday October 29, 2015, Thursday

Student's Name: _____ SCHOOL CURRENTLY ATTENDING: _____

Name of adult family who will be accompanying student: _____
