Superintendent of Schools

David T. Siwiak  
Manager of Information Services

Dear Parent(s)/Guardian(s),

Middletown Township Public Schools will continue a full implementation of a 1-to-1 (1:1) Chromebook initiative for all students in grades 3 through 12 for the school year. The purpose of the 1:1 Chromebook initiative is to enhance the learning environment while expanding the opportunity for a value-added approach to globalization of the curriculum, blended learning experiences, and the creation, collaboration and publication of digital learning content. The Chromebook technology also increases access to digital curriculum, to greatly supplement our printed texts and other on-site resources.

Elementary students in grades 3 - 5 will be receiving access to their Chromebook in September. These devices will be available for in-school use and remain in classrooms throughout the school year.

Chromebook distribution at our district Middle Schools will take place on the first day of school for all students. Each student must also have a parent/guardian sign the [Chromebook Agreement Form](#) either electronically prior to the distribution time or via a paper copy to be submitted upon distribution pickup.

Chromebook distribution at our district High Schools will begin for Freshman during Freshman orientation and continue through the first week of school. Each student must also have a parent/guardian sign the [Chromebook Agreement Form](#) either electronically prior to the distribution time or via a paper copy to be submitted upon distribution pickup.

Visit our [Chromebook Handbook for Students & Parents](#) for more details including important changes to our Chromebook agreement form, Vision & Goals, and to sign the [Chromebook Agreement Form](#). **Chromebooks will only be given to students with a parent/guardian signed Chromebook Agreement Form.**

Please feel free to communicate with our educational technology team regarding any questions pertaining to this learning initiative via the following form: [1:1 Chromebook Program Questions](#).

Sincerely,  
*David Siwiak*
