## About the Kiwanis Club of Middletown

Kiwanis has clubs in over 80 countries worldwide, with over 600,000 members, who work to make the world a better place, one community and one child at a time. Kiwanis Club of Middletown has been active in the Middletown community assisting in various community service projects over the course of the last year and a half. Our mission is to make our community a better place, particularly focusing on helping kids reach their potential.

Middletown Kiwanians have been active in assisting with holiday projects organized by Middletown Helps Its Own including their Thanksgiving and Christmas Food Sorting and Delivery events.

Middletown Kiwanis put together a tile project for VFW post 6902. We had opportunities for community members to design a tile at Middletown Day. These tiles are currently being put into a mosaic that will be displayed in their newly renovated hall - that was damaged because of Hurricane Sandy. Middletown Kiwanis spent several days helping with the renovation and painting to help the VFW reach their goal of reopening their hall.
