

My brother and I started this project so we could raise money for the K9 Unit while also showing our Police Department that Middletown residents and beyond our town Back Our Blue. We believe we should honor all police officers. Based on the huge response we got the majority of people in our town do too.

Because of YOUR support and generosity, we were able to give **\$2,020** dollars to the police department from our first online store.

Our good friends Renee & Don Anglum at Destination Athlete are so generous and we are very thankful for their help. Once again, for **EVERY** item you buy, **TEN DOLLARS** will go directly back to our Police Dept. **\$10!!** If you prefer you may also make a direct donation without purchasing any clothing.

For our new store, we added additional items and design. Below is a link to the online store where you can purchase tee shirts, hoodies, zip up hoodies. Let's show our police department that the residents of Middletown will always have their back! **PLEASE** tell your friends. Help us share the store link below on social media and thru email.
