BAYSHORE ADVENTURE PROGRAM AT LEONARDO STATE MARINA

July 31-August 4, August 7-11 and August 14-18, 2017
9 AM - 12 PM Daily
$125/per week/per child

The Bayshore Adventure Program is a fun and exciting learning experience for kids entering 3rd to 6th grade, ages 8-11 to connect with and explore their marine environment. Program leaders from Leonardo State Marina and Conserve Wildlife Foundation’s educators will facilitate hands-on activities that foster exploration and discovery!

Activities include:
• Crabbing at the Marina
• Arts & Crafts
• Birdwatching for kids
• Seining on the beach to discover the fish, crabs, and other marine wildlife that call the bay home
• Friday Fun Day: tug of war, sandcastle building contest, making solar s'mores!
