

NEED RENTAL ASSISTANCE DUE TO COVID-19?

We're Here to Help.

The Monmouth County Emergency Rental Assistance Program (ERAP), a new program offered by the Monmouth County Board of County Commissioners, is designed to help prevent evictions and homelessness. ERAP provides income eligible Monmouth households with up to \$30,000 for rental costs, including rental debts, and fees associated with rental payments and security deposits. It is strongly recommended that tenants and landlords work together on the applications in order to receive the relief funds as quickly as possible.

You may qualify for funding if you...

- Reside in a rental unit in Monmouth County as your primary residence.
- Experienced a loss of income or facing financial hardship due to COVID-19.
- Are at risk of experiencing homelessness, housing instability or threat of eviction.
