Dear Parent/Guardian:

It is our pleasure to welcome your son/daughter to our Middletown Government, Law, and Public Policy Pathway for incoming ninth and tenth graders who are interested in possibly pursuing further study or a career in a GLP3-related field. We are delighted that s/he has chosen to be a part of this new and exciting initiative.

Government, Law and Public Policy Pathway has been created to provide the best and most dedicated of our students with an opportunity to take the first steps on a life long journey to become leaders in our society who will guide us through a complex set of issues and help us make choices that will sustain our country's role in a global society. Whether you are interested in becoming a lawyer, politician, police officer, reporter, public servant, FBI agent, environmental advocate, public health official, economic developer, member of the military or simply an informed citizen of the world, this pathway will open your mind and help you decide what you can do to lead our society into the future.

In addition, students will be guided to take advantage of extracurricular activities that will assist them in acquiring the skills necessary to compete in this global society. Such activities may include Model UN, Mock Trial, Environmental Club, FBLA, TV Production Club, Newspaper, G.S.A. *Participation in some of these activities and a minimum average of a "C" is required to receive an endorsement in the Government, Law, and Public Policy Pathway on your final transcript.*

Throughout high school, the administration and the guidance department will inform participants of opportunities to meet with college representatives, both inside and outside of school, as well as visiting guest speakers and internship possibilities.

Please sign and return the attached form to your Guidance Counselor.

Best wishes for an enjoyable school year and, as always, if you have any questions please do not hesitate to contact us.

Sincerely,

Christopher Reginio

Director of Social Studies, World Language & Business, K-12
