

DISTRICT MISSION STATEMENT

The Middletown Township Public School District, in partnership with our resourceful and historically rich community, provides students with a rigorous and relevant education, rooted in the New Jersey Student Learning Standards, motivating them to recognize and develop their full potential as responsible citizens, contributing to an ever-evolving global society.

2019-2020 Middletown Township Board of Education Goals

Goal 1: Develop and implement a new five-year District Strategic Plan

Goal 2: Continue to work with the Township to enhance shared services and shared projects

Goal 3: Continue to refine the hybrid approach to the Committee of the Whole and Committee process

Goal 4: Schedule and hold a Board team building training

Middletown Township 2019-2020 District Goal Objectives

Community Partnerships and Public Relations

Goal: Leverage community resources to promote student achievement.

Objectives

- Develop the *2021-2026 District Strategic Plan* to reflect our community's values, remain in alignment with federal and state guidelines, and address long-range planning needs.
- Sustain productive relationships with public and private sectors to promote school improvement and student learning.

Goal: Utilize effective communication applications to enhance the positive district culture and support student success.

Objectives

- Build upon effective practices that inform the school community of operational and financial matters, instructional programs, district initiatives, and student accomplishments.
- Provide opportunities for collaboration with parents to improve educational outcomes for students.

Student Success

Goal: Provide academic resources and opportunities that support and promote well-rounded students.

Objectives

- Expand upon career readiness opportunities, workplace experiences, and corresponding college/careers coursework for middle and high school students.
- Explore the establishment of a *MTPS STEAM Camp* facilitated by MTPS high school students under the supervision of district staff.

Adopted: July 24, 2019

Goal: Continually review, revise, and update curricular and professional development initiatives in alignment with state and federal standards and community needs.

Objectives

- Support instructional practices that promote personalized learning opportunities for all students.
- Expand upon professional development opportunities that support self-directed professional growth for staff members.
- Provide professional development workshops that advance the benefits of inclusion and implementation of appropriate accommodations and/or resources to successfully support students in the classroom and community.
- Continued implementation and revision of practices, procedures, and resources that promote positive social emotional well-being of students.
