William O. George III, Ed.D.
Superintendent of Schools

December 17, 2018

Dear Navesink Elementary School Community,

Last Friday, Dr. Altobello informed the district and the Navesink Elementary School community that he accepted an appointment as the District Director of Secondary Education in the Hamilton Township Public School District. I would like to congratulate Dr. Altobello on his appointment. His promotion is a reflection of his outstanding body of work during his tenure in Middletown.

The district will begin the process of selecting a new principal for Navesink Elementary School shortly. The selection process will include input from both staff and parents. School community perspective is essential and will be collected in several ways. There will be an online survey available on your school webpage. Central Office Administrators will meet with PTA Executive Board Members to discuss the principal search and gain additional views from these community spokespersons. In addition, staff and parent representatives will participate on the interview committee.

I will keep you informed as we move forward, and I encourage your participation. It is anticipated that Dr. Altobello will remain at Navesink Elementary School until the beginning of February and will work toward a smooth transition to the new school leadership.

Sincerely,

William O. George III, Ed. D.
Superintendent of Schools
