

Welcome to Middletown Transportation's e-Link!

You will be able to access your child's **bus information** here **after August 1st** by following these instructions.

Busing information is now available but may not be final. Please check back immediately prior to the first day of school in September to make sure you have the most current busing information

You must have your student ID number to be able to use this program.

For public school students the student ID is located on your student's report card or in The parent portal.

For non-public school students your school will provide you the student ID.
Please do not call the Transportation department for this number.

From the school districts home page www.middletownk12.org click on the school bus icon or choose "Transportation" from the "Parents" down menu. Next you will choose the link for "VersaTrans e-Link Student Bus Passes" The following screen will appear:
