Superintendent of Schools

Mary E. Walker
Assistant Superintendent

Dear parents,

The Middletown Township Public School District is committed to limiting class size. Students, who register to attend school in their zoned school after the class size limit has been met, will be assigned to an alternate school within the district.

Rest assured that all of our Middletown schools implement the same rigorous curriculum and are staffed by dedicated and professional educators who receive regular and consistent district-wide training. Enrollment is monitored on an ongoing basis, and you will be notified by the building principal in the event your child's placement is changed because the class size limit has been met.

Sincerely,

Mary E. Walker
Assistant Superintendent for
Student Activities/Services
