Bayshore Community,

The District has been notified regarding concerns of excessive speeding on Leonardville Road before, during, and after school hours and that this situation will be closely monitored for the foreseeable future.

As always, the intention is to ensure the safety of all members of our school community which includes students, staff, and families. We are hopeful that this correspondence will bring attention to this situation and provide you notice of the monitoring of vehicle speed on this busy roadway.

Sincerely,

Michael Scarano
Principal
Bayshore Middle School
