

Early College Academy

For current 8th graders

The District is excited to announce the launch of the Middletown Township Early College Academy with Brookdale Community College. Members of the graduating Class of 2021 (current 8th graders) are be eligible to enroll in the Academy for its September, 2017 inception. Upon graduation from high school, students will earn a Brookdale Associate of Science or Arts degree along with their high school diploma. Parents and students can learn more about the Early College Academy, including educational and financial benefits, by attending an information session on February 16th at 6:30pm in the Middletown Township High School North Media Center
