1. Uses and groups directly related to the schools and the operations of the schools, including pupil and teacher groups;
2. Uses and organizations indirectly related to the schools, including the P.T.A., P.T.O., Home-School Association, and other school-parent related organizations;
3. Community organizations formed for charitable, civic, social, or educational purposes;
4. Governmental agencies generally;
5. Departments and agencies of municipal government;
6. Community church groups;
7. Private groups and organizations and groups outside the community.

The use of school facilities will not be granted for partisan political activity, private social function, or any purpose that is prohibited by law.

Each user shall present evidence of the purchase of organizational liability insurance to the limit prescribed by district regulations. Each user shall inspect any facility or school grounds to be used prior to such use and shall notify a district representative of any existing safety or dangerous conditions. In the event such conditions exist, the district may cancel or modify the user's access to the school facility until such conditions are addressed. Users shall be financially liable for damage to the facilities and for proper chaperonage, as required by school district administration.
