

36th Annual Granny's Attic Craft Show
Saturday, November 19th, 2016
Thompson Middle School PFA
Middletown, New Jersey 07748

Dear Crafter,

Thank you for your interest in participating in the **36th Annual Granny's Attic Craft Show**. Granny's Attic is sponsored by the Thompson Middle School PFA. Since its inception, this show has been enormously successful in raising funds for our school and our crafters. Thousands of people attend our show each year drawn by a tradition of quality crafters.

Granny's Attic is a juried craft show. Each year hundreds of applications are received and all applicants are entered into an impartial and anonymous jurying process. The process is based on submitted photographs from each applicant all with an equal chance of participation in the show. All applicants, regardless of past participation, are required to be entered into the jurying process. To insure that your craftsmanship is afforded optimum consideration, we must emphasize the need for three (3) high-quality photographs of your craft. Please choose your photographs carefully as this is the criteria used by the jury to base acceptance for the show. Photos may be no larger than 4"x6" in size. No slides or samples can be accepted. Photos will not be returned.

Due to the large number of applications received, the jurying process is quite lengthy. For this reason we must ask that you adhere to our **application deadline of March 11, 2016!** You will be notified **after** June 1, 2016, as to whether or not you have been selected to participate in the show.

In order to insure a diversified show, all crafters are judged within craft categories. It is important that you select the category which best describes your craft. This category must be chosen from the list below. If you work in more than one craft area, select the category which best describes or comes closest to describing your craft. **Hand-Crafted items only. No vendor supplies/flea market items.**
