Dear Applicant to the Business Management and Administration Pathway,

It is my pleasure to introduce Middletown's newest pathway, the Business Management and Administration Pathway (BMAP). We are delighted that you have chosen to be a part of this exciting initiative.

The purpose of the Business Management and Administration Pathway is to provide our students with the opportunity to concentrate their studies, beyond those required in high school, in the area of Business. In addition, students are guided to take advantage of extracurricular activities that will assist them in acquiring the skills necessary to compete in this global society. Such activities may include communicating with local businesses, mock trials, business competitions, building and creative project clubs, business-related internships, seminar series, and more.

Throughout high school, you will be informed of opportunities, both inside and outside of school, to meet with college representatives as well as visiting guest speakers and internship possibilities. We look forward to having high quality speakers engage our students over the year. Attendance at a minimum of 7 presentations each year is required for membership in the Business Management and Administration Pathway, and a minimum average of a 70 is required to receive an endorsement in the pathway on your final transcript. There is also a "with distinction" version of the pathway for students seeking a more rigorous challenge. The "endorsement with distinction" version of the pathway requires a GPA of 3.0 or higher and the fulfillment of additional requirements as specified in the high school course selection book.

E-mail updates will be sent to students and parents regularly through the Naviance System used by the Guidance Department. For the most recent information, please follow us on *Twitter* and *Remind* (both will be provided by the appropriate pathway advisor.)

If you have any questions please do not hesitate to contact me at reginioc@middletownk12.org. I look forward to your child's participation in the pathway and invite you to share with us any business-related experiences in which your child may already be involved.

Sincerely,

Mr. Christopher Reginio
K-12 Director
Social Studies, World Language, & Business Education

Please return this page to your child's guidance counselor by April 20, 2018.

My son/daughter _____ will participate in the Business Management and Administration Pathway. Both my son/daughter and I understand the following requirements for eligibility.

Requirements:

- Attend 7 seminars offered during the 3/4 advisory period
- Participate in the BMAP-related field trip offerings
- Maintain a minimum of a "70" for the standard endorsement or "80" for the endorsement "with distinction".
- Follow the appropriate course sequence.

I am also aware that there are two endorsements for the Pathway, Standard and Endorsement "With Distinction", and that the endorsement I will receive on my transcript will depend on the requirements I have fulfilled.
