

Happy New Year River Plaza!

Middletown Township Public Schools is kicking off 2019 with

A DreamBox Challenge!

The school that demonstrates the most GROWTH will win

Middletown's DreamBox Challenge Banner!

The 2 River Plaza students in each grade with the greatest growth will earn a pizza celebration.

Our 2019 Challenge BEGINS January 14th & ENDS February 14th!

Let's make a resolution to LOVE MATH & GROW OUR BRAINS!

Things to Remember:

Lesson completion will lead to the most growth in learning.

Growth is measured each time a student demonstrates mathematical understanding in a DreamBox lesson and proves proficiency. DreamBox might get challenging, however, when you persevere through difficult lessons, your brain grows and gets stronger.
