

Veterans Day

November 11th, 2021

We will be presenting our annual celebration in honor of our veterans for Veterans Day. This year we will have a virtual celebration. We are inviting veterans who are family and friends of our students to send in a picture of the veteran **during their time of service** so that we may honor their service to our country.

If you have a photo, please scan it and e-mail it to marescaa@middletownk12.org. Please include the name of the veteran, branch of service, relationship to the student, and years the veteran served.

Please have all photos sent by November 5, 2021. No photos can be accepted after this date.

Thank you. We are looking forward to celebrating our Veterans!
