Dear Incoming Kindergarten Parents/Families,

We hope that this message finds you enjoying the summer and excited for your child to start Kindergarten in the 2022-23 school year! We wanted to take a moment to welcome you and our newest students to River Plaza Elementary School. Please know that we have been hard at work creating a positive learning environment for all students and ensuring a smooth start for our kindergarten students as they begin their educational journey at River Plaza.

The importance of providing a safe and welcoming environment for all of our students is a top priority. For our newest students, that includes providing a smooth transition into kindergarten. **Kindergarten Orientation will take place on September 2, 2022 at 9:30AM.** This will provide all students and families with an opportunity to visit the school and meet their child's teacher(s).

We wish you an enjoyable and safe remainder of summer, and look forward to meeting our new Kindergarten class and their families!

Sincerely,

David J. Whitman
