Athletic Participation Information & Instructions

Introducing Family ID

Middletown Township School District will now offer the convenience of completing athletic paperwork digitally through Family ID (familyid.com). Family ID is a secure registration platform that provides you with an easy, user-friendly way to complete our previous athletic participation forms online. **Physicals (PPE) will continue to be required on paper and submitted to coach.** When you register through Family ID, the system keeps track of your information in your Family ID profile. You enter your information only once for each family member for multiple uses and programs. **Registration will be required each season.**

Before you register have your doctor information, student ID, and insurance information. (Students that attend satellite schools enter zeros for your student ID or your middle school ID). You will need the date of your last physical and the impact confirmation sheet (if necessary). Dates of last baseline ImpACT will be available on the FamilyID website. **If you previously registered physical dates and ImpACT dates will be visible on your registration.**
