Parent "Brag Sheet" for College Recommendation

Name of Student: _____ Name of Counselor: _____

We believe that parents/guardians should have a certain amount of input into the letter of recommendation we write to colleges on your student's behalf. Consequently, we are asking for your perceptions of your child's educational and personal growth. Use additional paper if necessary. Please feel free to use a second sheet of paper if your comments do not fit into the space provided.

1. What do you consider to be your child's most outstanding accomplishments during his/her high school years? Why did you select these as most important?
2. In what areas has your child shown the most development and growth throughout high school?
3. What do you consider to be his/her most outstanding personality traits?
4. If you had to describe your son/daughter in five adjectives, what would they be?
5. Are there any unusual or personal circumstances which have affected your child's educational experience or personal experiences?
