Special Events @MTPL this Summer!

Star Wars 501st Legion Visit to kickoff

Summer Reading!-June 10th 6:30pm

The 501st Legion will kickoff our summer reading program by bringing young fans of the galaxy far, far away into the world of reading. There will be photo opps, activities, swag and some STAR WARS books to check out! Let the force be with you!

Animals Are Out of This World-July 8th 10am

Presented by Eyes of the Wild & Wallaby Tales. Did you know that a multitude of our animal friends had already made the trip to space long before we did? This program will feature LIVE animals!

Jenkinson's Aquarium Penguin Visit-July 18th 10:30 or 11:05am

Jenkinson's Aquarium is back with their adorable penguin. Come and learn about penguins from their handlers while seeing the penguin up close.

"One Small Step: The Real-Life Journey to Outer Space"

July 25th 4pm presented by Brightstar Theater This tale marks the history of flight & space travel from the ancient tale of Icarus, to the first flights of the Wright Brothers on the beaches at Kitty Hawk, to the Great Space Race of the 1960s & beyond! This program is suitable for grades k-5.

Sciencetellers: Aliens! Escape from Earth-August 1st 4pm

Throughout this amazing intergalactic story, we use science experiments to bring the story to life! Don't miss this action-packed and educational alien adventure using science experiments for special effects. It's totally out of this world!

SKY Dome-August 7th 4:30 or 5:40pm

Attendees will enter the Sky Dome and be introduced to a "star filled" sky. Our navigator with the use of a digital planetarium projector and a laser pointer, will guide students through the stars of the Northern Hemisphere exactly as they appear on the day of the presentation. Dome is handi-capped accessible. Registration is required and only one session per person.
