

just for tweens

Monologues and Scene Writing

First and Third Monday of each month
@ 7:00 pm

Create characters that come alive through your original scripts. Theatre games and improvisations during monthly meetings will spark ideas. At the last session, scripts will be performed in a showcase and distributed in print. There will be opportunity for extended play development in 2021.

Presented by Ellen Williams, Expressive Arts 4-H Agent, Associate Professor, Rutgers University
